Senior Class History

At last it has come! The final goal has been reached after four years of hard work, fun, companionship, and all the many other characteristics of high school life.

The end of each year was, in a sense, the attainment of a smaller goal, but the great moment came when we were handed our diplomas and were set upon the threshold of a new and different life. Just before we open that door to new experiences, we should pause a moment and look back upon the series of events which have marked the path to so great an achievement.

1942—How well we remember that year, when as "Greenies" we stormed the mighty fortress Memorial. The wind was soon removed from our sails and not until the next year as Sophomores were we completely recovered.

As Juniors, we became upper classmen and enjoyed all the privileges extended to this select group such as: The Junior Class Play and the Jr.-Sr. Reception.

Now we have completed our Senior year, perhaps the most enjoyed of them all. It is certainly the one to be most vividly remembered, for throughout the year we were continually aware of the fact that our school days were drawing to a close and we were busy packing memories to take on the long trip through life.

A sad memory goes along with all the happy ones for all of us lost a fine friend and wonderful classmate when Eileen Clifford was fatally injured in an automobile accident.

All in all our class has had a rather eventful history and we shall always be grateful to those who made our four years in high school happy ones.

Seniors Most Likely To Succeed

Four members of our Senior Class have been chosen by popular vote as being the most likely to succeed. They are Joanne Galloway, Tom Anderson, John Schnarre and Violette Reece. All of them have been outstanding in a variety of ways during their years spent in high school, and we feel certain that they will sustain the confidence we have placed in them.

Juniors

At last we have reached the goal which we have dreamed of for three long years. We are to be seniors next fall. Our junior year has been an exciting one.

Early in the year we wisely chose the following officers:

James Danaher ---------- President
Bill Sunderland ---------- Vice President
James Kite ---------- Secretary
Geraldine Tigner ---------- Treasurer
Shirley Cook ---------- Movie Committee
Lloyd Miller ---------- Dance Committee

We also elected two members for the Mirror Staff. These were Robert McBroom, assistant editor, and Neil Miley, assistant business manager. The six students chosen to represent the class in the Student Council were Charles Wieser, Bill Elliott, Chester Schwaberow, Fern Leffel, Virginia Meyer, and Kathleen Ruther.

Juniors

Throughout the year we participated in sports. Four of the starting eleven players on the football team were from our class while practically all of the reserve basketball players were juniors.

The annual class play was presented in October. An able cast selected by Miss Codington presented "The Doctor Has A Daughter," which was well received by the audience.

For our assembly, we portrayed the correct procedure for a business meeting and stressed friendlier relations with other countries primarily through letter writing.

The class rings arrived in February and everyone was pleased with them.

The last and most important event of the year was the reception. We worked hard to make it a success.

With our junior year behind us we have learned many things which will aid us in becoming successful seniors next year.

Sophomores

When we entered the Sophomore class this year we were relieved to find that we got none of the "razzing" reserved for the "green" Freshmen. Although we were still underclassmen we felt as if we had a bigger and more important part in the life of the school.

At the beginning of the year we elected the following officers:

President ---------- Kenneth Kuenning
Vice-President ---------- Fritz Bornhorst
Secretary ---------- Thelma Armstrong
Treasurer ---------- Wilma Rohrbach

When the Student Council was formed we chose the following Sophomores to represent our class: Pat Bamberger, Alberta Sherman, Jack Conner and George Widner.

First Row (Left to Right) Shirley Wilges, Ruth Roettger, Shirley Clifford, Carol Quellhorst, Bernadette Pax, Joan Silvers, Jeanette Boehmer, Rita Axe, Carol Moothart, Phyllis Sullivan, Joan Maher, Barbara Strohl.

Fourth Row—Tom Weadock, Donald Reineke, Jack Monroe, William Overley, Donald Roby, Roman Severt, John Gerstner, Jim Hudson, Dave Cathcart, Norman Menker, Joseph Neargarder.

Sophomores

During the year we gave an assembly in which we introduced Miss Etta Kett to the student body. The Sophomore class fervently hopes that everyone learned a lesson from her.

Several of our boys won football awards while one earned a basketball letter. One of our girls became a cheerleader during the year. A large number of us were members of the band and chorus.

When we come back to school next year we will all be a little older and better equipped to face the problems which will confront us in our Junior year.

Freshmen

On September 4, 1945, one hundred seventeen pupils entered Memorial High School as Freshmen. Many of us were "green as grass" but we soon became acquainted with the rooms and ways of this school. A few days later we met with the supervisors of our class and elected the following officers for the year:

President _____ Tom Ferris
Vice-President _____ Gerald Gibson
Secretary _____ Dick Loffer
Treasurer _____ George Catterlin

A short time later we selected the following representatives to the Student Council: Donna Howell, Helen Brown, Ray Kleinhenz and James Cook.

Freshmen

Our coach, Lyle Barber, organized a ninth grade basketball team which played a number of games and took part in the Freshman Tournament at Lima where it made an excellent showing.

Since there were so many upperclassmen in the choir, Miss Kohler organized a Freshman Chorus. This chorus sang at the Christmas Cantata and took part in the operetta "Jerry of Jericho Road."

In March we had charge of an assembly program which was well received by the students and faculty.

We are now working for the day when we will be upperclassmen of Memorial High School.

Trophies

For the second year in succession, Memorial's stalwarts of the gridiron turned in an exceptionally fine season. In addition to capturing the coveted Western Buckeye League title for the second time in as many years, they accomplished what no other team in the history of this League has been able to achieve, that of holding all of their League opponents scoreless. This is indeed an envious record.

Let us hope that next year's team will be able to bring another Western Buckeye League Championship to our school.

Football Season

ST. MARYS 12—SIDNEY 12

Memorial gained an early lead, lost it, then came roaring back to tie it up. After that it was anybody's ball game. Inability to score the point after touchdown proved costly. The game ended with both teams scoring two touchdowns and no extra points.

ST. MARYS 26—KENTON 0

St. Marys played its first League game and trimmed Kenton 26-0. The Wildcats couldn't gain any headway through the Roughrider's strong defense.

ST. MARYS 31—COLDWATER 0

The Roughriders won their second straight game when they overpowered the Cavaliers from Coldwater. The game was played in a sea of mud and water, keeping both teams below par.

ST. MARYS 25—CELINA 0

Celina's Bulldogs couldn't match Memorial's boys as they romped to their second League victory. It was a case of "home town boy makes good" as Coach Barber, a Celina graduate, returned to show his home town friends how football should be played.

ST. MARYS 25—BLUFFTON 0

St. Marys traveled to the Pirates' stomping grounds and won it's third League game. Bluffton was powerless to hold the Roughrider's advance to a second Western Buckeye League Title.

ST. MARYS 67—BELLEFONTAINE 0

The Rambling Roughriders ran their string of victories to five when the overwhelmed the Chieftons 67-0. The reserves as well as the regulars, did everything right, while nothing seemed to click for the hapless Chieftons.

ST. MARYS 33—VAN WERT 0

The undefeated Cougars came to town in an attempt to stop the also undefeated Roughriders. Memorial jumped into an early lead which it never relinquished. This was undoubtedly the best game played by the St. Marys boys throughout the year and gave them a rating as one of the better teams of the state.

ST. MARYS 19—WAPAKONETA 0

St. Marys clinched the Western Buckeye League title by subduing the Wapakoneta Redskins to the tune of 19-0. This was Memorial's seventh straight victory. It was a costly one, however, since Huwer received an injury which side-lined him for the rest of the season.

ST. MARYS 0—LIMA SOUTH 13

The Roughriders met their Waterloo at the hands of Lima South's Tigers. The Barber men, handicapped by the loss of their leading scorer, lacked the spark they had shown in their previous games.

Football Lettermen

ANDERSON—Tom, playing an end position, was a great pass receiver. He, along with Huwer, was named to an Honorable Mention position on the All-Ohio High School team.

BAXTER—Don was a capable replacement at any backfield position. He is a junior.

BECKETT—Jim's passing coupled with his never-say-die spirit made him a capable quarterback.

BERLET—Ned was a senior who was converted from tackle to guard and ably played his position.

BURGER—Tom was a crack defensive end. He was also the punter of this year's team. He'll be back next year.

ELLIOTT—Bill in his first year on the Varsity became a strong defensive and equally good offensive tackle. Watch him.

HARNER—"Tillie" in his first year of football developed into an especially good back. Too bad he's a senior.

HUNTER—"Commando" was an excellent blocker and a tough man to move on defense.

HUWER—Charlie was undoubtedly the best back in this section of the state. He was the highest scorer on the team and a bear on defense.

KUENNING—Kenny was a steady reserve end who was also an adept pass receiver.

McBROOM—Bob, although light, was a good runner and an excellent blocker.

McKEE—Al was a senior who was especially good at blocking. He showed to good advantage when in the lineup as a replacement at end.

MILLER—"Big Eddie" was a steady tackle who always did more than his share. Next year should be his best.

MILLER—"Tucker" was a capable reserve ball carrier and blocker. He is a senior.

MILLISOR—Bob. This was Bob's first year of football. He turned out to be a competent tackle.

SCHNARRE—Chuck proved to be a rock on defense. He is a sophomore and will bear watching the next couple of years.

SCHNARRE—Johnny was an immovable center who also played the safety position. This was his last year.

VANDERHORST—Vandy was a hard driving fullback who improved greatly as the season progressed.

WIDNER—George was a big sophomore guard replacement. He will be back for two more seasons.

WIDNER—Jim was an agile runner and an able passer. He was perhaps the best ball handler on the team.

YOUNG—Russ was a fast and nimble runner. This was his first and last year of Varsity competition.

Basketball Season

ST. MARYS 38—GREENVILLE 46

Memorial opened its basketball season by losing to a powerful Greenville quintet. Wright was the big gun for the Green Wave as he garnered twenty-seven markers. The baby Roughriders started out in good fashion by nosing out their opponents 22-21.

ST. MARYS 18—KENTON 41

The second defeat was handed to the Roughriders by Kenton's snarling Wildcats. Memorial had trouble finding the range while the Wildcats played steady ball. The Reserves of St. Marys chalked up victory number two, 40-30.

ST. MARYS 30—WAPAKONETA 51

After playing the eventual League champions on even terms for three quarters, Memorial succumbed to a better ball team. The Reserves triumphed again, 29-27.

ST. MARYS 38—VAN WERT 52

The Roughriders fell too far behind in the first half to win this one. They outscored the Cougars 23-16 during the second half but the damage had been done. The Reserves came from behind to chalk up victory number four, 33-25.

ST. MARYS 31—COLDWATER 34

Memorial lost a tough game to the Cavaliers. The Roughriders forged ahead in the third canto but couldn't stop the Cavaliers in the final period. The high-flying Reserves caught fire in the last minute to defeat the Mercer County opponents 18-17.

ST. MARYS 32—BLUFFTON 30

Memorial finally got into the victory column by sinking Bluffton in a rough and close game. Bluffton sank a basket in the wanning seconds which would have tied the score but it was not good because of a foul counted before the shot was made. The Reserves won also 28-23.

ST. MARYS 31—NEW KNOXVILLE 44

St. Marys became the thirteenth straight victim of the New Knoxville Rangers. Memorial couldn't cope with the superior height and experience of their opponents. The St. Marys Reserves suffered their first defeat, 16-20.

ST. MARYS 46—NEW BREMEN 31

There was no stopping the Roughriders in this battle as they defeated the Cardinals of New Bremen. The Reserves looked good, also, in defeating the New Bremen seconds 41-31.

ST. MARYS 36—CELINA 44

A record breaking crowd was on hand to witness this battle. It was a close and hard-fought game but with Grimm of Celina chalking up half his teams points, the Roughriders were beaten from the start. The Memorial Reserves came through with victory number eight, 29-26.

ST. MARYS 20—BELLEFONTAINE 22

St. Marys lost a rough and tough game to the Chieftons. Memorial led by five points going into the final four minutes, but bogged down to lose another close contest. The Reserves were handed their second setback, 35-18.

ST. MARYS 27—LIMA SOUTH 46

Memorial lost its ninth game to a red-hot Lima South team in a non-League battle 46-27. The St. Marys Reserves played their best ball game of the year in defeating the baby Cubs of South 28-12. The Tiger Reserves failed to score a single point in the final half.

ST. MARYS 30—PIQUA 49

Our Blue and Gold athletes couldn't match the fast breaking Piqua Indians. Harner, hitting the net for twenty-one points, kept St. Marys in the ball game until the final quarter. Our Reserves lost their third game of the year 19-17.

ST. MARYS 30—ADA 29

Victory number three. The Roughriders came back after a slow start—they were behind 15-9 at the end of the first quarter—to eke out a close victory. The Reserves had little difficulty in winning, 24-16.

ST. MARYS 51—DAYTON ROOSEVELT 44

The Roughriders displayed their best form of the year in sinking Roosevelt High of Dayton. St. Marys got off to a flying start and kept the lead throughout. Our Reserves lost their final game 32-21.

TOURNAMENT—ST. MARYS 31 GALION 35

At the Northwestern District Tournament played at Kenton, St. Marys was stopped by high-powered Galion, the team which eventually went to the finals.

Basketball Lettermen

ANDERSON—"Kentuck" changed from center to a guard position this year and proved to be a good long shot artist.

BECKETT—Jim made up for his lack of height by his aggressiveness. His specialty was a long shot.

COOK—Ron, a sophomore, played his first year for Memorial. He was one of the fastest men on the squad.

FISHBAUGH—Byron was a tall guard. He was especially strong on defense.

GRAUER—Jim, a reserve forward, played his first year for St. Marys. His specialty was one-hand push shots.

HARNER—Bill was one of the outstanding players of this area. He was the leading point gainer.

HUWER—Chuck completed his third year on the Varsity. He was an excellent defensive man.

KLEINHENZ—Jim was an aggressive forward who never gave up. He'll be back next year.

McBROOM—Bob was the biggest man on the team. He developed into a good scoring center.

WIDNER—Jim alternated at a guard position. Lack of height kept him below par.

Baseball

Memorial's baseball team the past year turned out to be possibly the best one to date.

The nine stalwarts battled their way to the finals in the district tournament only to lose to a powerful Mansfield Nine, 4-2. Their only other loss of the year was at the hands of St. Henry, who eventually worked their way to finals at the State Class B tournament in Columbus.

Most of the team will be back the coming year, and St. Marys should field another team that will be hard to beat.

Boys' Physical Education

The Physical Education department has once again enjoyed a successful year. Many activities have been carried on. Some of these were an intra-mural basketball league and an intra-mural softball league. These activities were staged during the noon hour and not only provided good recreation for the participants but an enjoyable diversion for many who "looked on."

Physical Education is of vital importance in the development of the individual. It serves as a basis for a healthful life. There are many examples in our own school of the benefits of Physical Education. One boy gained a startling seventy pounds and added seven inches to his height during his four years in high school. He gives a lot of credit to the Physical Education program for assisting in this development.

What could feel more refreshing than to play a good hard game of football, basketball, baseball or tennis, then top it off with an invigorating shower?

Our Physical Education program has been arranged largely through the work of its director, Lyle K. Barber. He should be commended for his untiring efforts.

The one desire of the seniors who are leaving is that the following years shall be just as enjoyable and as exciting as the years they spent in Physical Education.

Girls' Physical Education

During the past year the girls have enjoyed many sports. For example, there were basketball, practice bowling, volley ball, socker field ball, baseball, softball, tennis, and table tenins. To keep them "fit" the girls participated in many exercises which employed muscles previously unknown to them.

Also, they used the mats and many mastered a balance, such as the sitting, stomach or standing balance. Some mastered all of them. Intra-mural basketball, soft ball, and ping-pong tournaments were held during the noon hours.

On various occasions, the girls enjoyed hikes to Sleepy Hollow and the Aqueduct.

The girls organized tumbling teams in some classes, and on Friday afternoons they learned new stunts and balances. They liked the various games and activities and were very appreciative of the guidance and aid of Miss Geiger.

Cheer Leaders

Yea team, fight! It is difficult to estimate the importance of good cheering to a football or basketball team. It is certainly a great help to the players to hear their followers cheering for them to come through with a touchdown, a basket or victory.

Memorial was fortunate this year in having loyal and capable cheerleaders. The three pictured above were joined by two others, Charmaine Russell and Carol Moothart, during the basketball season. Each one did a good job. The students, too, are to be commended for their fine co-operation. Visiting teams did not have to be told that we had a loyal student body. Our cheering demonstrated that.

Live Wire Staff

The "Live Wire" of '46 has now come to an end. It is quite an involved task to publish an edition of the "Live Wire." The process is as follows: The editor assigns topics and news items to the reporters; the reporters turn the articles in to the editor; the editor corrects, revises or gives his approval to the articles and hands them to the advisor; after the advisor's approval the articles are given to the typist; the typist finishes them and then the editor and advisor check the typing errors. The editor takes the articles to the newspaper office. After the type has been set at The Leader office the editor and assistant editor proof read the material and make the necessary corrections. It may seem easy to do, but it definitely is a complicated affair.

We wish to extend our thanks and appreciation to The Evening Leader for donating one page to us every other Monday. We also wish to thank all those who saved Sales Tax stamps for us.

It is our sincere hope that next year's "Live Wire" staff and advisor will have as much cooperation from the students as we have had, and will enjoy editing the paper as much as we have.

The High School Choir under the capable direction of Emma M. Kohler has had an enjoyable and profitable year.

The members have worked earnestly and conscientously; striving to perfect a great variety of songs-classics, spirituals, romantic types, novelties, modern compositions and the festival types.

During the Christmas season the choir presented a beautiful Christmas concert to a large, appreciative audience. Later they presented the operetta "Jerry of Jericho Road" by Clark and Clark. Miss Codington colaborated by directing the speaking parts. A capacity audience was generous with its praise for the principals and choruses of this outstanding production.

The choir took part in dedicating the memorial plaque to Mr. McBroom. They sang two of his favorite songs: "I Walked Today Where Jesus Walked" by O'Hara and "Open Our Eyes" by Macfarlane.

In addition to these activities the various ensembles, the High School Girls Sextette, the High School Boys Quartette, trios, duets, and soloists have been in demand throughout the year singing for assemblies, programs, plays, and a great number of organizations throughout the community.

Six members of the High School Choir—Jean Cramer, Marilyn Williams, Bill Sunderland, Bob Nevergall, Lloyd Miller, and Jim Kite were members of the All-State Chorus which sang under the direction of Dr. Peter Wilhousky, a very noted conductor, at the National Music Educators Conference in Cleveland.

Freshman Chorus

The Freshman Chorus was organized this year since such a large number of students enrolled in vocal music (over one hundred). This group of singers has worked very hard striving for better tone quality, blend and balance, correct harmonization, and intonation.

The Freshman Chorus has made a fine showing, having taken part in the Christmas Concert, sung for the Freshman Assembly, and assisted in presenting the operetta "Jerry of Jericho Road."

There are many fine voices in this group. Their experience this year should enable them to be more capable members of the Senior Choir next year.

Concert Band

The 62 piece concert band had one of its busiest seasons in many years. Twilight concerts were given throughout the summer at Memorial Stadium to capacity audiences. Over fourteen hundred tickets were sold for the two performances of the annual Spring Concert on March 21-22. The instrumental soloists and ensembles formed from the band personnel played on thirty-eight different occasions for organizational and social activities in St. Marys and vicinity.

At this writing the band has three very important activities to look forward to. They will enter the West District Band Adjudication at Wittenberg College on April 27th, be host to over 500 musicians at Memorial on May 10th when the Western Ohio Band Festival Association comes to our city for its 14th Annual Festival, and the annual banquet on May 21st.

The 70 members of the marching band pictured on the opposite page performed at all the football games, both at home and away. Forty-seven formations were presented during the season. Many fine comments were received on the work of the snappy music-makers, particularly their half-time shows on World War II and the Gay Nineties. Drum Major Lloyd Miller received quite a hand for his high stepping and strutting ability at each of the games as he brought the band down the field. Other marching personnel include Majorettes Arbula King, Patricia Dieringer, Patty Stein, and Evelyn Glick; flag twirlers Joan Baker and Rita Axe; color guards Tom Durnell and David Durnell.

Richard Schilling is director of both the marching band and concert band.

Latin Club

"NON SIBI SED OMNIBUS"

The 1945-46 Latin Club started the year with twenty-five members, and during the first semester two others, Ronald Cook and Bill Dustman, joined the group. You may tell a member of the Latin Club by a pin which he or she wears. On it is J. C. L. meaning Junior Classical League with which our Latin Club is affiliated.

We have held meetings on the first and third Mondays of each month. In these meetings we discussed the business at hand, had reports which helped us to learn more about Roman life, and played Roman games.

The Latin Club has its social life, too. At one meeting we had a scavenger hunt; at another, a hay ride and wiener roast.

Then came what all of us had been waiting for all year—the Roman Banquet. We had served as slaves last year, and now it was our turn to be waited upon. We all dressed up in sheets (did we look silly!) and the Freshmen wore short tunics. The Freshmen gave the program, and we did the eating. More fun!

During National Latin Week, March 11 to 15, we gave an assembly program, in which the varied musical and dramatic talents of the members were expressed.

The Latin Club had its annual Open House, and it was our turn to give the program. All parents and friends were invited. After the program, everyone went to Room 26 to see the exhibit. All the articles were made by the pupils studying Latin I and II.

Our busy club also sponsored a movie, "The Last Days of Pompeii." It was presented for the puplis who take Latin and also any other students who could come.

Another activity for us was the sale of tickets for the Thespian play, "Where's Laurie?" One of our members won first prize for selling the most tickets.

Salesmanship Club

Early in the fall of 1945, the third Salesmanship Club of Memorial High School was formed. Its members were the forty students taking the Commercial Course for the second year. The Club continued throughout the 1945-46 school year by holding meetings semi-monthly.

The Club's purpose was the selling of worth-while ideas and products to the school and to the community.

Club members spent many hours in selling tickets for the Fall Festival, the Junior Class Play, the Thespian Play, the Variety Show, and the Operetta. The annual magazine campaign was held as in past years. A list of businesses and industries of St. Marys was compiled for the Junior Civic Club of America. In all these projects the members gladly donated their services, welcoming the opportunity to practice the principles they were studying.

The meetings and regular class periods stressed the importance of salesmanship, development of personality and business ethics. Practice talks in securing an interview and complete sales talks were given by the Club members.

The main social events were a Halloween dance in the high school auditorium, and a Valentine dance at the Hi Spot.

The members of the club and their advisor,Miss Mildred Frey, are proud of their record of accomplishments during the year.

F. F. A.

The St. Marys Chapter of the Future Farmers of America has developed, over a period of years, an extensive program of work. This program is based primarily on the needs of the members and the community, of which the chapter is an important part.

The formation of this program required much time, sincere effort and considerable guidance from our advisor. It constitutes the basis for the fundamental worthwhile accomplishments of the F. F. A.

For convenience the program is divided into the following divisions:

Supervised Farming
Co-operation
Community Service
Leadership
Earnings and Savings
Conduct of Meetings
Scholarship
Recreation

Student Council

In September, four representatives from the freshman and sophomore classes and six from the junior and senior classes were chosen to make up the Student Council of Memorial High School.

The constitution for the organization includes the following purposes: Support athletic and promote musical activities; sponsor assembly programs; welcome and introduce new students to the Faculty and Student Body; promote greater interest in drives and campaigns; aid in protection and care of school property; assist the Faculty in making school life more enjoyable.

Much progress has been made by the Council this year. In November they sponsored a "Fall Festival" to secure money for an inter-communicating system which could not be secured this year because of the slowness of manufacturers in bringing out new models after the war. It is hoped that the equipment can be installed this summer. A new movie screen was bought for the auditorium this spring. The Council also purchased sweatshirts and "T" shirts inscribed with the Memorial insignia which were sold to the students. In keeping with the school spirit many pep assemblies were sponsored by the Council.

Thespians

The second year of organization for Troupe 629 has been one of progress. The officers scheduled meetings every three weeks. At these meetings, members reviewed articles from the magazine "Dramatics," and gave demonstrations concerning make-up.

On November 8, 1945, the Troupe held an impressive candle light ceremony in the high school auditorium for the formal initiation of its new members.

A large audience received well the three-act comedy, "Where's Laurie?," given by Thespians for the Community Institute, on February 12.

Thespians took part in the Junior and Senior Class plays and in the operetta.

At the annual banquet in May, which is sponsored by the junior members, the Troupe installed the 1946-47 officers and conducted the initiation service for five new members.

With the money earned from the play, Troupe members authorized the purchase of a spotlight, a floodlight, and several extension cords.

All of us were saddened by the loss of one of our charter members, Eileen Clifford, on December 23, 1945. Eileen had been active and interested in dramatics since her entrance into high school.

Thespians are affiliated with a non-secret, non-social, National Dramatic Organization for Secondary Schools.

"M" Club

The "M" Club of Memorial has made some progress through its second year of functioning.

A dance was given at the Hi Spot, to help keep the club going and to pay for the individual trophies which the football players received.

The "M" Club has the same training rules as are given by the coach for each sport. The club is composed of any athlete earning a varsity "M" award in either football, basketball or baseball.

We are looking forward to the growth and progress of the club in the years to come.

Officers in the club are: Tom Anderson, President; Charles Huwer, Vice-President, and Jim Widner, Secretary and Treasurer.

Girl Reserves

"When a Girl Reserve walks down the street,
She looks a hundred per from head to feet."

This is a quotation from the G. R. pep song and is a good example of the standard we have set for ourselves.

The Girl Reserve is an organization of young Christian girls working together that we might "find and give the best." It is affiliated with the Y. W. C. A. and membership is open to any girl in the Junior and Senior Classes who wishes to join.

We are primarily a social organization but also undertake money-making projects. This year we handled the concessions at the home football games, had paper drives, and gave school dances. We used our money for the little girl we help support at the Methodist Home at Worthington, Ohio, and to buy a coffee-maker for the use of the school on various occasions.

We had many social events. These included a hayride, George Washington Party, Senior Breakfast, Mother-Daughter Tea, a Spring Party, pot-luck supper, and others.

The girls are an active group of young ladies of which the school may be proud.

Mirror Staff

Well, here it is, and we hope you like it. This book may not seem so valuable to you now, but wait until you are fifty or sixty years old, and then tell someone that it doesn't mean a thing to you. We, of the staff, know that when we look back at this book we will recall all the headaches, broken pencils, bad typewriters and good times we experienced in putting it out. We wish to thank Mr. Puderbaugh for his help, Mr. Buss of The Leader Printing Company, Mr. Montague of the Fort Wayne Engraving Company, the faculty, and all the organizations of the school for their aid in making this book what it is.
